

The bar chart displays the annual number of publications from 1990 to 2020. The x-axis is labeled with years from 1990 to 2020. The y-axis represents the count of publications, with a scale from 0 to 10. The data shows a relatively low and stable number of publications (mostly 1 or 2) from 1990 to 2005. Starting in 2006, there is a noticeable increase, with several years reaching 3 or 4 publications. From 2010 onwards, the number of publications grows more rapidly, with 2019 reaching a peak of 10 publications. The overall trend is a strong and consistent increase in the volume of research published in this field over the three-decade period.
