

MT_14111_T_C

Accession numbers of the sequences used in this study. The sequences were obtained from the NCBI GenBank database. The accession numbers are listed in the following table:

Accession Number
AF001071.1
AF001072.1
AF001073.1
AF001074.1
AF001075.1
AF001076.1
